Guest Speaker: Dave Albin, Utility Pipe and Sales, Inc.

Gave a lengthy presentation about drive-by and fixed based systems previously bid. Difference between drive by and AMI fixed based is that the AMI fixed based offers 24 readings for each hour with in one day. With drive-by we would be like we are currently 30 days old on readings. AMI fixed based runs off of data collection boxes strategically placed over town. Mr. Albin also showed what would actually goes into the meter well. Mr. Albin did say their system is compatible with our new accounting software LOCIS. Pricing does include the interface of the system with our accounting program. Financing for municipalities varies on years of financing from five at 2.85%, ten at 3.0% and fifteen at 3.15%.

**Motion 3:** Crain moved and Bollman seconded to approve **payment of the monthly bills** with holding off paying Spectra Tech bill until further information as submitted by the Secretary. A roll call vote was taken, and all present voted yea. The Secretary declared the motion carried.

**Garry Wiggs Report**

**Electronic Water Meters:** Dave Albin gave a presentation.

**Trailer** - Current trailer has experienced four tire failures and is not set up for the weight of the equipment. Country Blacksmith Trailer Sales allowed the Water Department to use a trailer and Garry is recommending purchasing that trailer.

### **Sewer Line Extension - Pin Oak Road/Shawnee Trail**

We are waiting on the Cook Easement to begin Phase 1 of the Sewer Line. The City will pay for Phase 1 to get sewer access for the Pin Oak Motel. Total estimated cost is \$38,725.00 for Phase 1.

**Motion 9:** Crain moved and Bollmann seconded to approve the **City to finance Phase 1 of the Sewer Line Extension on Pin Oak Road and Shawnee Trail**. A roll call vote was taken, and all present voted yea. The Secretary declared the motion carried.

Amy Simpson presented information on the Wings on an Eagle Development letter agreeing to reimburse Gary McGee back in 2014. The actual developer is Larry Parks from Eldorado. They want the same agreement we had with McGee. They have paid for 4 taps and have put 5 taps in already. They would like to be reimbursed according to the McGee agreement. This is an accounting nightmare. Amy recommends that we reimburse these 5 taps but no longer continue this agreement. Jerry Hampton agrees and will do the taps ourselves.

**Motion 10:** Crain moved and Geiselman seconded to **reimburse Wings on an Eagle Development the 5 taps**. A roll call vote was taken, and all present voted yea. The Secretary declared the motion carried.

901 Peach; Ivan Sams old property. The house was sold and was being remodeled from 2013. We billed them for the entire amount of gallonage during this time. Contractor says this is impossible that the water was not hooked up. Jerry and Amy both remember a couple of years ago someone remodeling the house and using water. Mayor Robinson recommended we accept a payment plan for this bill. If the debt/payment plan is not satisfied, the issue will return to the Water Board.

Interviews for the Water Office Billing Clerk position were conducted on Monday, December 4, 2017 and the job was offered to Roxanna Musgrave. She accepted the position and will begin January 2, 2018.
